

Snow Shovel - Collapsible

A foldaway snow shovel that breaks down into three separate parts for compact storage when not in use. Made from durable aluminium, the tool is full size (820mm) when assembled and the shovel blade is designed for efficient snow clearance. The simple push button locking mechanism is designed for easy assembly/disassembly. Supplied in a waterproof zip bag, ideal for storing in the boot of a car in case of winter emergencies.

Additional Information

- Lightweight, foldaway snow shovel, ideal for winter travel.
- Full sized shovel (820mm long) with curved blade (1.5mm thick) shaped for efficient snow clearing.
