

Edelstahldeckel für Eimer

Stainless steel lid for Laser Tools bucket, Part No. 5929. Polished finish and rigid domed construction for extra strength with a recessed handle that folds flat for convenient storage. A useful addition, particularly if the bucket is going to be used for storage.

Additional Information

- Edelstahldeckel
- Für Eimer – Teil Nr. 5629
- Made from high grade stainless steel; strong, durable and excellent corrosion resistance.
- Allows increased storage options for the bucket.
- Für den Einsatz mit 5929
