

DSG Clutch Removal Kit - for VAG

DSG clutch removal tool set for VAG 7 speed gear boxes found in Audi A3, Volkswagen Golf and Touareg. NB, Gen 2 clutches (fitted from 06/2011 onwards) will also require Laser Part No. 7914.

Additional Information

- Designed to allow the safe removal and refitting of the twin clutches used in VAG 6 & 7 speed gearboxes.
- Application: Audi A3 (from 2004); Volkswagen Golf and Touareg (6 speed).
- Equivalent to OEM tools: T10323 Clutch Support Device, T10373 Puller, T10374 Gauge Block & T10376 Thrust piece.
- Used to remove and fit the twin plate clutches.
- IMPORTANT: ensure the threaded bar is well lubricated with molybdenum disulphide grease before use.
