

Magnetic Parts Tray Set 3pc

A set of collapsible silicon parts trays, with a magnetic base, ideal for keeping small components and parts close to hand. They each feature an ABS collar and base to keep it's shape, with the silicon sides enabling the tray to be folded away to just 19mm high when not in use. Suitable for use in the workshop and around the home and is ideal for automotive technicians, electricians, jewellers, modellers, hobbyists and DIY.

Additional Information
